

We operate an open visiting for relatives and friends wanting to see resident, provided of course that the resident is in agreement. This can either take place in the communal lounges or in private in the resident's own room. If any relatives/visitors wish to stay for meals during their visit they are very welcome to do so but we would ask that this be notified to the Manager/Nurse in Charge beforehand for catering purposes.

Tea and coffee are freely available throughout the day.

Rose Cottage is a small privately owned registered nursing home for elderly. The proprietor has been a trained nurse with years of experience in care.

It is registered for 18 residents and is located in a residential area in the north of Swindon. As it is an old part of Swindon it has retained its village atmosphere and has a thriving community spirit and is conveniently placed for all amenities.

There is a no smoking policy in operation. However, smoking is allowed in a designated area.

## PHILOSOPHY

At Rose Cottage, we believe that everyone in our care needs to be treated as an individual. The dedicated and experienced team of nursing and care staff provide appropriate care in a homely and stable environment, taking care to uphold resident privacy, choice and quality of life.

Our residents are given choice in all aspects of daily living and each has an individual care plan. All residents are treated with respect and dignity. We

promote good communication between all parties involved in the resident's care.

The quality of our service is maintained through training and supervision. Regular audits take place to monitor that quality. Comments from relatives are especially welcomed.

## BEDROOMS

Rose Cottage has sixteen single rooms and one double bedroom. All bedrooms have a vanity basin facility with hot and cold water.

All rooms have central heating and emergency nurse call system fitted.

Rooms are comfortably furnished and residents are encouraged to personalise their room with pictures, ornaments etc and their favourite armchair.

Residents have access to their rooms as they desire, and unrestricted use of all communal areas in the building.

## DINING ROOM

Homely and comfortable with a choice of menu each day. Home cooked meals are provided to a high standard, with fresh fruits and vegetables daily. Individual and special dietary requirements are also catered for.

## FACILITIES

All bathrooms and toilets have disability aids fitted for your comfort and safety, enabling you to maintain your level of independence and privacy.

There is a passenger lift to access the upstairs in Rose Cottage.

Wheelchair access to all areas.

Chiropodist and hairdresser services are available and these are charged for. We have two lounges which are comfortably furnished and have a television and other audio equipment for residents' use.
